

Graduate Research Assistant

Seeking a candidate for a summer opportunity to gain research and NIH grant submission skills

Interested in gaining additional research experience this summer?

Our research team is looking for a summer graduate research assistant (GRA) for the UTK SARIF Fund application to join us on a study of adolescents and young adults (AYAs) in concurrent hospice care. If awarded, the GRA would be for 3 months (May, June, & July). This will include working with data output, data interpretation, manuscript development, and manuscript submission with a team of nurse scientists in preparation for a Fall 2020 NIH grant submission. If interested, please contact Dr. Lindley by 1/31/2020 @ llindley@utk.edu.

Required qualifications:

- Enrolled graduate student - any major (Including non-nursing)

Preferred qualifications:

- Experience with literature reviews
- Strong interest in learning grant submissions
- Experience with manuscript development

How to Apply

Interested applicants can contact Dr. Lisa C. Lindley @ llindley@utk.edu

**Deadline to send inquiries:
January 31, 2020**
