

CONCURRENT CARE FOR CHILDREN (ACA SECTION 2302)

1

PEDIATRIC END OF LIFE CARE

Familiarize yourself with the federal regulation that mandates the concurrent care intervention.

2

STATE IMPLEMENTATION

The Centers for Medicare & Medicaid (CMS) issued guidance to all states to implement ACA Section 2302.

3

RESEARCH STUDY

An analysis of administrative claims data is being conducted to build evidence on concurrent care.

4

STAY INFORMED

Contact the PedEOL Care research team to find out more about concurrent care on the website and social media.
