Policy & Financing

What is a Waiver?

Home and Community Based Services (HCBS) Waivers are programs offering services and benefits to help people with specific health conditions live more independently in the community. Waiver programs give you

choice, control, and access to a full array of supportive services.

Children With Life Limiting Illness (CLLI) Waiver

If your child has a life-limiting illness, the CLLI Waiver can provide support in the home to allow you and your family to seek curative treatment while your child is receiving palliative or hospice care.

Services Available

- Palliative/Supportive Care:
 - Care coordination including a care plan, regular home visits to monitor health and safety
 - Pain and symptom management
- Counseling/Bereavement Services
- Expressive Therapy
- Massage Therapy
- Respite Care
- Therapeutic Life Limiting Illness Support

How can I get these services?

Your child may qualify if they:

- Are age 0-18 with a disability as defined by the Social Security Administration (SSA)
- Have a life-limiting illness certified by a physician
- Have medical needs similar to what is provided in a hospital

If your child is a Health First Colorado member:

Contact your local Case Management Agency to see if your child qualifies for the CLLI Waiver.

A Case Management Agency (CMA) helps you see if this program is right for your child and helps you find services.

If they're NOT a Health First Colorado member:

Contact your local CMA,

or apply online at: co.gov/PEAK
